EANS2026 Hamburg

Dear Industry Partners,

It is with great pleasure that we welcome you to the EANS2026 Annual Congress, which will take place from September 30 to October 4, 2026, at the CCH – Congress Center Hamburg. On behalf of the European Association of Neurosurgical Societies, we extend our warmest invitation to join us in what promises to be a truly inspiring and forward-looking gathering of our neurosurgical community.

Our chosen theme, “Responsibility, Endurance, Resilience”, speaks directly to the values that define both our profession and the partnerships that sustain it. Responsibility reflects our shared commitment to advancing patient care and ensuring the highest standards of safety and innovation. Endurance highlights the long-term dedication required to push scientific boundaries, develop groundbreaking technologies, and support the training of future generations. Resilience captures the spirit with which we collectively face challenges—be they medical, technological, or global—in order to emerge stronger, more connected, and better equipped to serve society.

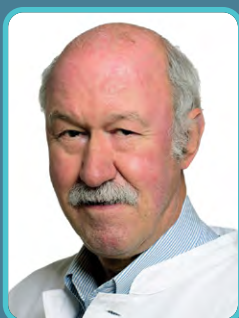

The EANS Congress has always been a hub for meaningful exchange, and 2026 will be no exception. For our industry partners, the program offers unparalleled opportunities to engage with international neurosurgeons, researchers, and decision-makers. From well-curated exhibition spaces to interactive symposia, workshops, and networking events, you will find numerous occasions to showcase innovations, exchange ideas, and build collaborations that will shape the future of neurosurgery.

Our destination, Hamburg, offers not only the outstanding facilities of the modern CCH – Congress Center Hamburg, but also the allure of a city renowned for its openness, cultural vibrancy, and maritime heritage. As one of Europe’s most dynamic and welcoming cities, Hamburg provides the perfect backdrop for professional dialogue, partnership building, and memorable shared experiences.

Your presence at EANS2026 will be central to the success of our congress. Together, we can continue to uphold the principles of responsibility, endurance, and resilience that drive progress in neurosurgery and strengthen the bonds between science, practice, and industry.

We look forward to welcoming you to Hamburg in 2026.

With warm regards,

Manfred Westphal

About EANS

The European Association of Neurosurgical Societies (EANS) is a rapidly growing and independent organization that unites European neurosurgical societies as well as individual neurosurgeons from across Europe and beyond.

Our mission is to support our members in enhancing patient care by facilitating the exchange of high-level scientific knowledge. To achieve this, we organize an extensive range of meetings, symposia, and educational courses, including the prestigious European Congress of Neurosurgery and the renowned European Training Courses in Neurosurgery.

We also recognize the vital role of e-learning in advancing scientific expertise, which is why we offer comprehensive online resources through the EANS Academy, our digital library of neurosurgical material. At the same time, we strongly value in-person experience, providing a growing number of fellowship and observership programmes, both independently and in collaboration with selected partners, to complement our very extensive portfolio of educational and training events across Europe.

We are proud to see our membership base and participation in our flagship events steadily increasing. Together with our industry partners, we aim to showcase the most innovative products, technologies, and techniques through tailored exhibitions and sponsorship opportunities.

We look forward to welcoming many of our members to Hamburg and continuing to shape the future of neurosurgery together.

We are proud that the following partners have already supported the EANS Congresses – thank you!

Congress Venue

Situated in the heart of Hamburg and boasting 36,000 square meters of floor space and up to 50 flexibly customizable halls, the CCH offers nearly unlimited options for events of any kind. Its capacity of up to 12,000 people and its 12,000 square meters of exhibition space make it the ideal venue for specialist conventions, corporate events, product presentations or cultural activities.

Thanks to its immediate proximity to the 87,000 square meter Hamburg Messe und Congress exhibition complex, and with the inner city within walking distance, the CCH is a perfectly located hub for successful events, and a key element of the city's event campus. It is ideal for multi-venue formats exceeding the requirements of classical conventions.

Individual Sponsorship Items and Opportunities

Congress Activities

Lunch Seminar of 60 minutes

Option to organize a corporate presentation under a related subject to the congress objectives and thematic topics, during one of the congress lunches. Requests to organize Lunch Seminars are subject to the approval by the Organizing & Scientific Committees.

Option includes:

- > Promotion through the congress communicational material (emails, social media)
- > Reference of the seminar agenda in the congress book
- > Invitation in the delegates' congress bag
- > Audiovisual equipment and technical assistance during the seminar
- > Full buffet lunch

Lunch Workshop of 60 Minutes (up to 30 attendees)

Option to organize a corporate presentation under a related subject to the congress objectives and thematic topics, during one of the congress lunches. Requests to organize Lunch Workshops are subject to the approval by the Organizing & Scientific Committees.

- > Promotion through the congress communicational material (emails, social media)
- > Reference of the workshop agenda in the congress book
- > Invitation in the delegates' congress bag
- > Audiovisual equipment and technical assistance during the workshop
- > Full buffet lunch

Hospitality Private Suite

Option to rent a room to be used by the sponsor for the entire duration of the congress.

- > The room is provided unfurnished and can be furnished at an extra cost
- > Signage for the room including the sponsor's logo will be provided by the organizer
- > All activities inside the suite must be reviewed and approved by the organizer

Congress Technology

Mobile app - Exclusive

We offer the unique opportunity to become the Exclusive Mobile Application Sponsor of the Congress. The Company's logo will be displayed at the bottom of the application homepage, covering 20% of the screen.

The package includes:

- > Pop-up banner with "Powered by + Sponsor's logo" wording and the congress graphic, everytime a delegate opens the app.
- > Linkage to the Sponsor's Website or any relevant website upon request
- > 3 Push Notifications to all participants with content chosen by the Sponsor, before, during and after the Congress

Push Notification

A message with content chosen by the sponsor will be sent to the congress delegates through the official congress mobile app.

Email Blast

- > Sponsor dedicated promotional blast sent out to participants (html format) with metrics.
- > The sponsor chooses the content of the email.
- > The date of the sending is decided in cooperation between the sponsor and the organizer.

Sponsored Article in the Congress Daily Gazette

Sponsored Article of 200 words in the daily digital newsletter distributed to the 15.000+ EANS database during the congress days.

- > The article must be approved by the Organizer unless the organizer provides the option to co-create the article (i.e. an interview with X industry partner)
- > The article text and artwork must be provided by the sponsor
- > The date of sending is decided in cooperation between the sponsor and the organizer

Congress Wi-Fi - Exclusive

Congress delegates will have free access to Wi-Fi during the EANS2026 congress. The sponsoring company will have following opportunities to customize the congress Wi-Fi:

- > Name of the Wi-Fi will be decided by the organizer and sponsoring company
- > Wi-Fi password: must be chosen by the organizer and the sponsoring company
- > Home screen and landing page design may be provided by the sponsoring company, upon checking technical feasibility

Scan Leads

Option for the sponsor to scan the badges of the participants and receive the following information:

- Full Name • Organization • Position • Country • email address • Phone number (if any)
- > The function can be used by all team members of the company, provided that they have Smartphone or iPhone, have downloaded the official mobile app of the congress and have stable internet connection
- > Real-time results and exportable database at any time
- > The sponsor may also ask specific questions to the delegates while scanning their badges, and document the response through the scan lead function

Additional Sponsorship Options

Networking Event - Exclusive

Support the official EANS Networking Event to increase your visibility in a unique manner. Get in touch with congress delegates in an informal atmosphere.

The supporting company will receive an exclusive area for its planned actions. Furthermore, it is allowed to collect leads in this dedicated area. All activities planned by the supporting company at the Networking Event need to be approved by the congress organizer.

Recharging Area - Exclusive

With a busy mobile app, much networking, lots of selfies and strong social media presence, the delegates' phones will eventually need some recharging! We offer the opportunity to install several recharging areas within the congress venue. The organizer will arrange the branding of the recharging areas and include the sponsor's logo, followed optionally by a tagline chosen in cooperation between the organizer and the sponsor.

Branded Bottled Water Bag Insert - Exclusive

Hydration is important. Especially on long and busy congress days. A sponsor can help us keep our delegates hydrated! A co-branded bottle of water will be distributed to all delegates in their congress bags.

Venue Signage - Exclusive

This item allows you to place your logo and booth number (if any) on the venue signage, increasing vastly your visibility at the congress. Signage is where everyone refers to, to find their way! Please note that product placement in congress signage is not allowed.

Advertising Spreads in the Printed / Digital Congress Book

You can choose to have your company's ad in the following ways:

- > Double Spread
- > Full page
- > Half Page

Innovation Hub

Following its successful introduction, we are pleased to bring back the Innovation Hub sponsorship opportunity for our industry partners at the **EANS2026 Hamburg Congress**.

Located within the **EANS Booth** in the exhibition area, **the Innovation Hub** aims to be the congress spot where innovation will be presented, celebrated and debated upon.

Here is what you need to know before you decide to participate:

- A stage and 40-50 seats will be placed inside the EANS Booth. As for sound, it will be a silent PA operation so that the speaker and the attendees do not disturb and are not disturbed by the exhibition buzz.
- Presentations will take place only during coffee breaks (*excluding the afternoon Coffee Break on Wednesday, 30 September*)
- Participation is possible for:
 - Startups that wish to present their new innovative products
 - Established companies launching an innovation within their existing portfolio
- All applications to participate will be reviewed by EANS Office Holders for suitability for this specific activity.

The Startup Booster

Are you a startup that aims to enter the neurosurgery world with ground-breaking technology?

This is of interest to you!

Startups Participation package:

- 6m² Booth
- 2 invitations for company executives
- Innovation Hub Presentation

TOTAL COST

€3.000

Terms & Conditions:

All terms and conditions mentioned in the Congress Sponsorship Brochure are applicable
For a company to be considered as a startup, the following conditions must be met:

- Age of Company:
Incorporated within the last 10 years.
- Innovation Focus:
Actively developing novel neurosurgical medical technologies (e.g., devices, materials, models, software, diagnostics).
- Revenue Threshold:
Annual revenue not exceeding 10 million EUR.
- Employee Count:
Employs fewer than 30 employees.
- Privately Held or Recently Public:
Must be privately owned or have gone public within the last 3 years.

Terms and Conditions

1. The prices do not include VAT.
2. Complimentary invitations correspond to any sponsor executives attending the congress proceedings. Should any other representatives wish to participate as exhibitors, they need to register through the Congress website..
3. All representatives participating in the congress (including those who possess a complimentary invitation), should register online via the congress website.
4. The sponsor is responsible for providing their corporate artwork and digital materials. The provided materials must satisfy any technical specifications, as defined and instructed by the organizer.
5. The Organizer reserves the right to change the exhibition layout and amend booth positions if necessary. In such case, the exhibitor agrees to any alteration to their position, as re-allocated by the organizer.
6. The exhibitor accepts all regulations that will be published in the Technical Exhibition Manual. The organizer reserves the right to prohibit any action taken at the exhibition space if deemed dangerous and/or is violating the regulations of the Technical Manual.
7. Following the signing of the Sponsoring & Exhibitor Order Form and within five (5) days, the sponsor should proceed in a 50% advance payment. The outstanding balance of the remaining 50% must be paid after the receipt of the respected invoice until 1 July 2026.
8. In case of non meeting the above mentioned timeline of payments, the organizer reserves the right to suspend or not provide the reciprocal benefits described in this form.
9. The Organizing Committee reserves the right to reject sponsorship proposals under conditions.
10. Any detail or further issue not defined or specified by the content of the current document is negotiable and subject to approval by the Organizing Committee.
11. This application is legally binding once confirmed by the EANS and subject to the laws of Belgium.

Cancellation Policy

50% Refund for cancellations until 20 March 2026

25% Refund for cancellations until 25 April 2026

From 26 April 2026: Non-Refundable
